

AEP 2022

Elevate the Member Experience

with Digital Medicare Quoting and Enrollment

Retain customers for life when you transform digitally.

Platform Highlights

- **ONE place** to access carrier inventory and manage your Book of Business
- **Connect on any device** - phone, tablet and laptop
- **Add Preferences** (Health, Providers, Prescriptions, Multiple Pharmacies and more) for a more personalized experience
- **Include the most accurate drug costs** based on LOCAL pharmacy pricing
- **Enter drug lists manually or use MyMedicare.gov to upload drugs automatically** - improve accuracy of personalized quotes
- **Search Providers** - easily identify those in network
- **Personalized Quoting** - Select up to three plans to send to a beneficiary via text or email
- **Text and Email to Sign SOA** - Offer more flexibility while staying compliant
- **Compare up to three plans** side-by-side
- **Display SNP plans** and filter by SNP type
- **View All Plans** - and filter by those licensed to sell
- **Text and Email to Enroll** options allow you to engage beneficiaries the way they want to engage
- **Speed up enrollments** with electronic signature capability and 24/7 enrollment opportunities
