All Plans View and Filter by SNP plans

To ensure agents better serve beneficiaries, agents can now see all plans, NOT ONLY plans they are licensed to sell via our licensing filtering option. Agents can also find Special Needs Plans with our SNP filter.

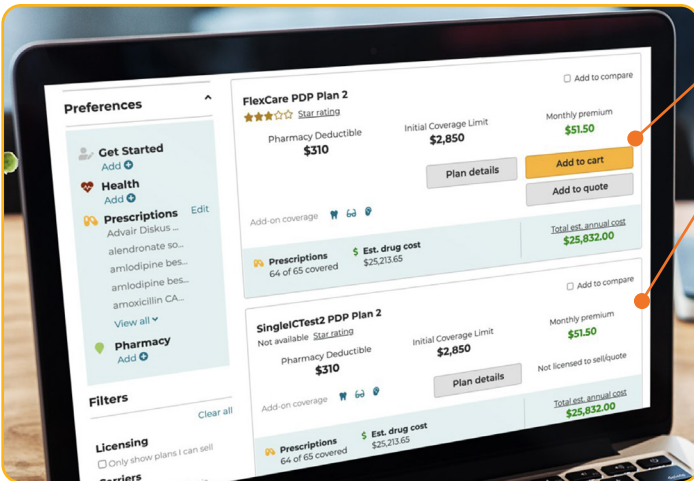

From the left navigation bar, filter plans by licensed to sell or view all plans.

TIP: Easily display all plans by clicking the link below the zip code.

Agents can filter by Special Needs Plans. They can select "add" all SNP plans or "hide" all SNP plans.
